

Exhibit E — Funding

1. Scope of activities funded through the ERO funding mechanism

Texas RE shall include in its annual budget submission to NERC amounts for costs it will incur in performing its delegated functions and related activities as described in Sections 5, 6 and 7 of the Agreement. These activities shall include:

- Reliability Standard Development
- Compliance Monitoring and Enforcement
- Organization Registration and Certification
- Reliability Assessment and Performance Analysis (including necessary data gathering activities)
- Event Analysis and Reliability Improvement
- Training and Education
- Situation Awareness
- Infrastructure Security

2. Preparation of Annual Business Plan and Budget

(a) NERC and Texas RE, in conjunction with the other Regional Entities, shall collaboratively develop an annual schedule for the development, submission, review and approval of Texas RE's business plan and budget. The annual schedule for the preparation of business plans and budgets shall require Texas RE (i) to submit to NERC draft(s) of Texas RE's proposed business plan and budget and other preliminary documents and information, and (ii) to submit a final proposed business plan and budget that has been approved by Texas RE Board of Directors to NERC by July 1 or such other agreed date as provides sufficient time for NERC's review, approval and submission of Texas RE's business plan and budget to the Commission 130 days in advance of the beginning of each fiscal year. The Texas RE business plan and budget submission shall include supporting materials, including Texas RE's complete business plan and organization chart, explaining the proposed collection of all assessments, dues, fees and charges, and the proposed expenditure of the funds to be collected in sufficient detail to justify the requested budgeted expenditures and assessments. Texas RE's business plan and budget and proposed assessments shall provide for reasonable reserve mechanisms for unforeseen and extraordinary expenses and other contingencies, consistent with generally accepted accounting principles.

(b) NERC shall review and approve Texas RE's proposed business plan and budget and proposed assessments for performing the delegated functions and related activities described in Sections 5, 6 and 7 of this Agreement and listed above in Section 1 of this **Exhibit E**, or shall direct Texas RE to make such revisions as NERC deems appropriate prior to approval. NERC shall submit Texas RE's approved business plan and budget and proposed assessments to the Commission for approval as part of NERC's overall business plan and budget submission, in accordance with the ERO Regulations.

3. Allocation of Costs

Assessments to fund the costs of Texas RE's delegated functions and related activities pursuant to the Agreement shall be allocated among all load-serving entities on the basis of Net Energy for Load, unless a different method(s) of allocating and calculating such assessments has been submitted to and approved by NERC and the Commission in accordance with Section 9(b) of the Agreement. Texas RE shall submit to NERC annually at the same time it submits its budget request a list of the load-serving entities or designees within its geographic boundaries that shall be responsible for paying Texas RE's assessment and the load-serving entities' proportionate Net Energy for Load, and such other data and information as is necessary to allocate and calculate the allocation of Texas RE's assessment to the load-serving entities or designees under the method(s) of allocation and calculation that will be used. NERC and Texas RE agree that for purposes of Section 3 and 4 of this Exhibit E, Electric Reliability Council of Texas (ERCOT ISO), as the sole independent system operator and Balancing Authority, is the only load-serving entity or designee in Texas RE's region and shall be invoiced for the entire NERC and Texas RE assessments approved for collection.

4. Collection of Funding

(a) NERC shall submit invoices to the load-serving entities or designees identified by Texas RE covering the NERC and Texas RE assessments approved for collection.

(b) NERC shall pursue any non-payments of assessment amounts and shall request assistance from ERO Governmental Authorities as necessary to secure collection. To the extent reasonably practicable, Texas RE shall assist NERC in pursuing and collecting any non-payments. Notwithstanding the foregoing, Texas RE is not responsible and does not assume any liability for recovering non-payments or underpayments of assessment amounts. NERC shall retain sole responsibility for recovering non-payments or underpayments of assessment amounts. NERC shall add the amount of any non-payments by end-users or designees within Texas RE's region, that are reasonably determined to be uncollectible, to NERC's assessments for a subsequent year with the amount of such non-payments to be allocated to end-users within Texas RE's region.

(c) Upon approval by ERO Governmental Authorities of Texas RE's annual assessment to fund the costs of its delegated functions and related activities, NERC shall pay Texas RE's annual assessment to Regional Entity in four equal quarterly payments on January 15, April 15, July 15 and October 15 of the budget year.

5. Application of Penalties

Except as otherwise approved by the Commission, all penalty monies received by Texas RE, other than penalty monies received from an operational function or division or affiliated entity of Texas RE, shall be applied as a general offset to Texas RE's budget requirements for U.S.-related activities under this Agreement for the subsequent fiscal year. Funds from financial penalties shall not be directly applied to any program maintained by the investigating entity. Except as otherwise approved by the Commission, any penalty monies

received from an operational function or division or affiliated entity of Texas RE shall be transmitted to or retained by NERC and shall be used by NERC as a general offset to NERC's budget for its activities as the ERO under the Act for the following year.

6. Budget and Funding for Texas RE's Non-Statutory Activities

In addition to its delegated functions and related activities, as specified in Sections 5, 6 and 7 of the Agreement and in Section 1 of this **Exhibit E** (such delegated functions and activities referred to in this Section 6 as "statutory activities"), Texas RE performs the following other functions and activities (such other functions and activities being referred to in this Section 6 as "non-statutory activities"):

Texas RE will audit and investigate market participants' compliance with ERCOT Protocols and Operating Guides (ERCOT regional rules), as the ERCOT region Reliability Monitor, through a continuation of its contract with the Public Utility Commission of Texas (the "PUC", which directs the work) and ERCOT (the independent system operator, which makes the required contractual payment from its system administration fee), for at least an additional three-year period ending December 31, 2013. Under this contract, Texas RE will continue to report possible non-compliance with reliability-related regional rules to the PUC and will respond to subpoenas and provide testimony and support to the PUC regarding contested enforcement cases prosecuted by the PUC. These non-statutory activities are subject to continuation at the end of the contract term by mutual agreement by Texas RE and the PUC. If the decision is made to terminate or not renew this contract in the future, Texas RE would perform reduced non-statutory activities for a period of time, under a modified contract, to transition these activities to a third party.

Texas RE shall employ the following methods and procedures to (i) keep its funding mechanisms for its statutory activities separate from its funding mechanisms for its non-statutory activities, and (ii) record the costs it incurs in the performance of its non-statutory functions separately from the costs it incurs in the performance of its statutory functions:

- A. Texas RE segregates the funding for its statutory activities and non-statutory activities by recording the funding transactions in separate and distinct general ledger accounts, in accordance with Generally Accepted Accounting Principles.
- B. Texas RE utilizes and must maintain a time recording and expense management system under which employee time and expenses incurred in the conduct of non-statutory activities will be tracked to ensure that they are not funded by NERC remittances intended for the funding of statutory activities.
- C. Texas RE has adopted a detailed system of Account Codes, Department Codes and Activity Codes which are used in recording expenses. The Activity Codes are specific to statutory activities and non-statutory activities. The Texas RE Activity Codes are modeled on the NERC Functional Categories. Texas RE shall use Department Codes that are unique to Texas RE to record all costs and expenses incurred by Texas RE for statutory activities and non-statutory activities.

- D. Texas RE shall use Activity Codes to appropriately track its costs for statutory activities separately from its costs for non-statutory activities.
- E. Where employee time or an expense affects multiple activities, Texas RE will use an accurate basis of allocation of the time or expense between the activities being performed based on specific metrics, such as time tracking, data observations or total cost input. Total cost input relates the portion of the expense to the total expense to establish an appropriate method to allocate.

Texas RE shall provide its budget for such non-statutory activities to NERC at the same time that Texas RE submits its proposed annual business plan and budget for statutory activities to NERC pursuant to Section 9 of the Agreement. Texas RE's budget for non-statutory activities that is provided to NERC shall contain a detailed list of Texas RE's non-statutory activities and a description of the funding sources for the non-statutory activities. Texas RE agrees that no costs (which shall include a reasonable allocation of Texas RE's general and administrative costs) of non-statutory activities are to be included in the calculation of Texas RE's assessments, dues, fees, and other charges for its statutory activities.

7. Amended or Supplemental Business Plans and Budgets

During the course of the fiscal year, if Texas RE determines it does not or will not have sufficient funds to carry out its delegated functions and related activities, Texas RE shall submit to NERC one or more proposed amended or supplemental business plans and budgets and requests for approval of supplemental assessments, reflecting costs, cost increases or funding shortfalls not provided for in Texas RE's approved business plan and budget for the fiscal year. NERC shall review and approve the proposed amended or supplemental business plan and budget and proposed supplemental assessment, or shall direct Texas RE to make such revisions as NERC deems appropriate prior to approval. NERC shall submit Texas RE's approved amended or supplemental business plan and budget and proposed supplemental assessment to the Commission for approval.

8. NERC Review of Regional Entity Financial Statements

NERC shall conduct reviews of the quarterly and annual financial statements submitted by Texas RE pursuant to Section 9(h) and (i) of the Agreement. Texas RE shall provide supporting documentation for the quarterly and annual financial statements as reasonably requested by NERC based on its reviews.
